The Philippine Statistics Authority (PSA) – Biliran announces the conduct of the June 2024 Labor Force Survey (LFS). The LFS is a nationwide survey of households conducted by PSA to gather data on the demographic and socio-economic characteristics of the population. It aims to measure the distribution of household population 15 years old and over by employment status, to determine various employment characteristics such as industry, class of worker, nature of employment and basis of payment. The June LFS is part of the monthly survey conducted in between the regular quarterly LFS. Results of the survey shall serve as basis for planning, formulation of policies, and implementing programs to create gainful employment, and bolster livelihood opportunities for the Filipinos.

The data collection period of the June 2024 LFS starts on 08 until 30 June 2024. A total of three (3) hired Statistical Researchers (SRs) were trained with needed skills and knowledge for the field data collection during the Third Level Training on 06 to 07 June at PSA Training Room.

A total of 96 sample households were systematically and randomly selected for the Province of Biliran. The sample households will be visited and enumerated by the hired SRs during the data collection period.
