**Villaba, Leyte** — The Philippine Statistics Authority – Leyte Provincial Statistical Office (PSA Leyte), through its Registration Team, has brought the National Identification System (National ID) registration right to the doorsteps of residents in Villaba, Leyte last 25 July 2025, focusing on bedridden individuals and senior citizens who are unable to personally visit registration centers.

This house-to-house registration initiative underscores PSA's unwavering commitment to service accessibility and inclusivity, ensuring that all Filipinos—especially those with mobility challenges—can enjoy the benefits of having a National ID.

As part of the activity, the team successfully registered nine (9) bedridden senior citizens, providing them with the opportunity to secure their National ID without leaving the comfort of their homes.

Through this activity, PSA Leyte reinforces its commitment to ensuring that no one is left behind in the National ID registration, guaranteeing that every eligible Filipino—regardless of age, health condition, or location—can access this vital government service.
