Tacloban City, Philippines - The Philippine Statistics Authority (PSA) – Leyte Provincial Statistical Office has successfully conducted a 5S Audit on 03 April 2025 as part of its commitment to continuous improvement and workplace efficiency. The audit aimed to assess the implementation of the 5S methodology, a globally recognized system for workplace organization that enhances productivity, safety, and efficiency.

The 5S methodology, which stands for Sort, Set in Order, Shine, Standardize, and Sustain, was implemented to foster a clean, organized, and disciplined work environment. The audit was carried out by an internal team consisting of PSA RSSO VIII SOCD Supervising Statistical Specialist Ms. Zonia C. Salazar and PSA Southern Leyte Statistical Specialist II Mr. Dexter E. Jabonillo. The team meticulously evaluated the Civil Registration, Statistical Operations and Coordination, Administrative, and Financial Units, ensuring compliance with the principles of 5S and identifying opportunities for further improvement.

Chief Statistical Specialist Sheryl Ann A. Jamisola emphasized the importance of the initiative, stating that the 5S Audit is a crucial step in fostering a culture of order and efficiency in the workplace. By adhering to the principles of 5S, the office can enhance overall service delivery and create a more conducive working environment for employees.

The audit findings highlighted positive observations and commendable areas, including clean and orderly offices and workstations, as well as employees' sufficient understanding and appreciation of the importance of 5S. Recommendations were also provided to sustain and further improve 5S practices, ensuring long-term benefits for the organization and the public it serves.

PSA Leyte remains committed to upholding quality standards and continuous improvement through initiatives such as the 5S Audit. The office encourages all employees to maintain discipline and consistency in implementing the 5S principles to achieve greater efficiency and effectiveness in their daily operations.//
