

PRESS RELEASE

TESDA Tech-Voc Day Connects Jobs, Skills, and National ID Registration

Date of Release: 11 August 2025
Reference No. PR-2025-0826-31

NID Team in action during TESDA Tech-Voc Day in Dolores, E. Samar.

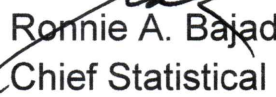

Dolores, Eastern Samar — On August 11, 2025, the National ID Registration Team participated in the Technical Education and Skills Development Authority's (TESDA) Annual Tech-Voc Day in Dolores, Eastern Samar, as part of the "World Café Opportunities" under Job Linkaging and Networking Services (JoLINS).

The event served as a venue to connect job seekers, government agencies, and private organizations, fostering opportunities for employment, skills training, and access to essential public services. As part of its mission to bring services closer to communities, the National ID Registration Team conducted on-site registration, enabling residents to conveniently register for the unified national identification system.

Through this collaboration with TESDA and other partner agencies, the National ID Registration Team reaffirms its commitment to making registration accessible, efficient, and inclusive. Initiatives such as this ensure that more Filipinos can benefit from a secure and streamlined identification system, which plays a vital role in accessing government programs, financial services, and other public transactions.

The National ID Registration Team extends its appreciation to TESDA and all participating organizations for their continued partnership in bringing government services directly to the people.

For more information, you may visit the official PSA National ID Facebook page: PSARSSO8 Eastern Samar – National ID, or proceed to the Fixed Registration Center (PSA-based) located at JB Japzon Building, Circumferential Road, Barangay Balud, Borongan City, Eastern Samar. The center is open Monday to Friday, from 8:00 AM to 5:00 PM.
