To bring registration closer to the people, the PSA Eastern Samar PhilSys team has been conducting **mobile registration drives** across various barangays in the province. These efforts have been complemented by active participation in **one-stop shop caravans, job fairs**, and close collaboration with the **Department of Social Welfare and Development (DSWD)** during their **Family Development Sessions (FDS)**.

Additionally, the team has launched the **registration of children below five years old** in the municipalities of Dolores, San Policarpo, Llorente, and Guiuan, with plans to extend these services to other areas.

To make PhilSys registration even more accessible, a **fixed registration center** has been established at the PSA Eastern Samar Provincial Office, located at J.B. Japzon Bldg., Circumferential Road, Barangay Balud, Borongan, Eastern Samar. This center offers convenient registration services to all individuals in the province.
