

PRESS RELEASE

PSA Eastern Samar Reveals Preliminary Results of the 2024 Community-Based Monitoring System to LGU San Julian

Date of Release: 01 August 2025

Reference No. PR-2025-0826-25

SA Jethelyn Jo T. Plata discussing the generated thematic maps to LGU San Julian.

31 July 2025 – San Julian, Eastern Samar – The Philippine Statistics Authority (PSA) Eastern Samar presented the preliminary results of the 2024 Community-Based Monitoring System (CBMS) to the head of offices of LGU San Julian at the San Julian Municipal Hall on 31 July 2025.

The presentation was led by Statistical Analyst Jethelyn Jo T. Plata, who discussed selected Sustainable Development Goal (SDG) indicators measurable through the 2024 CBMS results. She also outlined the requirements for the official data turnover and highlighted upcoming activities that will require the involvement of the local government units (LGUs) in the following months.
