24 June 2025 - Palo, Leyte. The Philippine Statistics Authority – Regional Statistical Services Office VIII (PSA – RSSO 8) lauds the Department of Information and Communications Technology (DICT) 8 for the successful launching of the eGovPH Kiosk and Project Click projects during the NICT Month 2025 Regional Culminating Activity. Director Melvyn Carlo T. Barroa of the DICT Regional Office VIII cited PSA – RSSO 8 as one of the recipients of the eGovPH Kiosk now installed at the lobby of PSA – RSSO 8 at the 2nd floor of Gaisano Capital, Real Street, Tacloban City.

In her message of support, Ms. Mae Almonte, Chief Statistical Specialist, Statistical Operations and Coordination Division (CSS, SOCD) of PSA – RSSO 8, assured DICT that PSA will continue to be an active partner in bridging the digital divide and modernizing public service efficiency. She added that the eGovPH Kiosk is the first e-government portal that houses the thrusts and services of PSA and other government programs, making it a one-stop digital outlet for PSA clients and other stakeholders.

Ms. Almonte commends the advancement of the national digitalization goal of DICT as it shares similar endeavors with the National ID System, Statistical, Civil Registration and other national and local government initiatives. With the eGovPH kiosk, PSA clients can now book online appointments, access civil registration services, statistical information, among others, while they are at the regional office.
